SUBJECT : Increased Obligation Authority

1. Reference is made to our conversation during the latter part of June 1959 in which you advised that the articles requisitioned on Requisition No. 913-16-171-59 would cost \$7,200.00 rather than the \$5,000.00 indicated on the requisition. You were advised to effect the purchase and that we would supply an amended requisition containing additional funds. The obligation increase was established on our books and was appropriately reported to the Finance Division at 30 June 1959, however, for some reason the amended requisition was not executed.

2. This is your authority to cost against the requisition cited the additional amount of \$2,200.00 making a total amount of \$7,200.00.
